

## SPONSOR - A - SWAN

Finance from our Sponsor - A - Swan scheme is one of our main sources of income for the Swan Sanctuary. It helps to pay the day to day running expenses such as food and veterinary bills.

It costs from just £15 per swan and there are up to five to sponsor. You will receive details about your swan(s) and regular newsletters telling you all about the Sanctuary and it's work throughout the year.

### An Ideal Gift

The sponsorship and newsletters with a card with your own message can be sent to anyone you wish. Ideal for an unusual birthday present.
